A close-up photograph of a woman with dark curly hair and a nose ring, holding a large sandwich. The sandwich is wrapped in a white paper with a green circular logo that says 'plant-based nature'. The sandwich itself is topped with a slice of watermelon, green lettuce, and other fillings. The woman has pink manicured nails and is wearing a black t-shirt. An orange circle in the upper right corner contains text, and a white arrow points from it towards the address text below.
